PROFILE

An enthusiastic web developer with a proven track record in crafting dynamic web applications tailored for office, corporate, and personal use. Proficient in utilizing JavaScript and React JS to create engaging and responsive front-end interfaces, while harnessing the power of node.JS and PostgreSQL to develop robust back-end solutions. As a programmer, I strive to be a fast learner and a team player.

EDUCATION

Gadjah Mada University Master of Electronic and Instrumentation Major - GPA: 3.95/4.00	February 2024 - now No class to attend
Hasanuddin University Bachelor of Science in Physics Major - GPA: 3.52/4.00	August 2017 - September 2022

TECHNICAL SKILLS

- **Frontend** : HTML, CSS, JavaScript, React.js, Tailwind CSS, Firebae
- **Backend** : Node.js + Express, PostgreSQL, MongoDB, auth with JWT, Sequelize for ORM.

WORK EXPERIENCE

Full-Stack Web Developer – STIBA MAKASSAR	February 2023 - November 2023
• Designing an Entity Relationship Diagram (ERD) for a web-based information system for auditing, administrative processes, and company evaluation. • Creating a web application to manage employee attendance for administrative needs in the human resources field. • Full-stack developer responsible for creating a web application with frontend and backend services. • Frontend stack: React.js with react-router-dom for routing, and additional libraries like react-icons and react-toastify. • Backend stack: Node.js, PostgreSQL for the database, and Sequelize for ORM. • Additional backend libraries include Express, CORS, JWT, Bcrypt, Jest, and Supertest.	

ORGANIZATIONAL INVOLVEMENT

President of the Student Association – MAGISTRONIS DIKE UGM	February 2025 - Now
As the President of the Student Association for the Master's Program in Electronics and Instrumentation, I am responsible for initiating various activities, both academic and non-academic, for the members of the association.	
General Chairperson – Himafi FMIPA Unhas	November 2019 - November 2020
Developed a sense of responsibility through serving as the head of an organization, managing large-scale programs such as organizing a national-level journal conference.	

VOLUNTEER ACTIVITIES

Bina Mulia Mengabdi – Yayasan Bina Mulia Yogyakarta	17 Oktober 2024 - 20 Oktober 2024
• Improved teamwork skills through group-based community service by staying for three days and assisting with various activities at a nursing home.
